

February 2018

Dear Neighbour,

Please would all residents note that there will be alarm testing carried out at Bacton Gas Terminal on Wednesday 7th March at approximately 10:00 am.

The sound of the alarms may travel some distance and will be audible to residents in the local area of the Gas Terminal.

Sounding these alarms from time to time is part of essential testing to ensure emergency preparedness.

Please do not be concerned by these alarms and no action is necessary.
